

**BLUEFIELD STATE COLLEGE  
BOARD OF GOVERNORS  
POLICY NO. 19**

**TITLE: ACADEMIC FREEDOM, PROFESSIONAL RESPONSIBILITY,  
PROMOTION, AND TENURE**

**SECTION 1. GENERAL**

- 1.1 Scope: This policy relates to academic freedom and responsibility, appointment, promotion, tenure, non-reappointment or dismissal of faculty, and grievance procedures for matters pertaining to faculty.
- 1.2 Authority: W. Va. Code § 18B-1-6, §18B-1B-4 and §18B-7-4
- 1.3 Filing Date: November 16, 2006
- 1.4 Effective Date: June 20, 2013

**SECTION 2. ACADEMIC FREEDOM AND PROFESSIONAL RESPONSIBILITY**

- 2.1 Academic freedom at this institution of higher education is necessary to enable the institution to perform its societal obligation as established by the Legislature. The Board recognizes that the vigilant protection of constitutional freedoms is nowhere more vital than in institutions of higher education. Faculty members and students must always remain free to inquire, study, and evaluate.
- 2.2 Through the exercise of academic freedom, members of the academic community freely study, discuss, investigate, teach, conduct research, and publish, depending upon their particular role at the institution. To all of those members of the academic community who enjoy academic freedom, there are, commensurate with such freedom, certain responsibilities. All faculty members shall be entitled to full freedom in research and in the publication of the results of such research, subject to the adequate performance of their other academic duties, which may include designated instruction, research, extension service, and other professional duties. It should be noted, however, that such freedom does not automatically imply institutional support. Activity for pecuniary return that interferes with one's obligations to the institution should be based upon an understanding, reached before the work is performed, with the appropriate administrators of the institution. Further, each faculty member is entitled to freedom in the classroom in discussing the subject assigned to be taught. In addition, when faculty members speak or write as citizens outside the institution, they shall be free from institutional censorship or discipline.
- 2.3 The concept of academic freedom is accompanied by an equally important concept of academic responsibility. A faculty member is a citizen, a member of a

learned profession, and a representative of the educational institution. As such, a faculty member, together with all other members of the academic community, has the responsibility for protecting, defending, and promoting individual academic freedom for all members of the community. The faculty member has the responsibility of contributing to institutional and departmental missions in teaching, research, and service as defined by the institution. The faculty member is responsible also as a teacher for striving to speak with accuracy and with respect for the similar rights and responsibilities of others. In speaking or writing only as an individual or for a limited group, the faculty member should not imply or claim to be a spokesperson for the institution.

- 2.4 In addition to meeting the primary responsibilities of addressing institutional missions in teaching, research, and service as defined by the institution, all faculty have an obligation to foster the quality, viability, and necessity of their programs. The financial stability of a program and recruitment of an adequate number of students depend in part on the faculty. The common goal of quality must be nurtured and responsibility for it shared by all. Integrity, objectivity, and service to the purposes and missions of the institution are expected.
- 2.5 Faculty interests and skills change, disciplines evolve, and new professions or fields of study merge. All faculty members are responsible for remaining current in their disciplines. All are encouraged to explore opportunities for further developing a versatile range of knowledge and skills that are important to the institution. Through individual initiative and faculty development programs, faculty members are encouraged to grow in competency in their own disciplines and strengthen their interests in related fields.
- 2.6 As members of an academic community, faculty members also are expected to participate in decisions concerning programs and in program-review processes.

### **SECTION 3. FACULTY: RANKS AND DEFINITIONS**

- 3.1 The faculty shall be those appointees so designated by the President. The faculty may include, but are not limited to, such professional personnel as faculty equivalents, academic professionals, and those involved in off-campus academic activities.
- 3.2. Faculty may fall into one of the following classifications:
  - 3.2.1 Tenured: Those faculty members who have attained tenure status as determined by the institutional procedures. Normally, tenured appointments are full-time (1.00 FTE or the equivalent, as determined by the institution) for the academic year.
    - 3.2.1.1 Under special circumstances, if requested by the faculty member and approved, a full-time tenured appointment may be converted to a part-

time tenured appointment for a specified time period, normally not to exceed one calendar year. At the conclusion of the approved time period or an approved extension thereof, the faculty member will return to a full-time tenured appointment or, if the faculty member chooses not to return to a full-time tenured appointment, the faculty member's employment will cease. This section does not apply to actions associated with phased retirement programs.

3.2.2 Tenure-Track: Those faculty members who have been appointed on a full-time (1.00 FTE or the equivalent, as determined by the institution) basis and have been designated as being in a tenure-track position.

3.2.2.1. Under special circumstances, if requested by the faculty member and approved, a full-time tenure-track appointment may be converted to a part-time tenure-track appointment for a specified time period, normally not to exceed one calendar year. At the conclusion of the approved time period or extension thereof, the faculty member will return to a full-time tenure-track appointment or, if the faculty member chooses not to return to a full-time tenure-track appointment, the faculty member's employment will cease. Time spent in a part-time tenure-track appointment will not normally apply to the calculation of the years of service for the purposes of tenure nor will it result in any de facto award of tenure (exceptions are in the Faculty Handbook).

3.2.3 Clinical-Track: Those faculty members who have been appointed and have been designated as being in a clinical-track position. Their appointment may be full-time (1.00 FTE or the equivalent, as determined by the institution) or part-time.

3.2.4 Non-tenure-Track: Those faculty members who have not been appointed in a tenure-track, clinical-track, or tenured status. Their appointment may be full-time (1.00 FTE or the equivalent, as determined by the institution) or part-time. Non-tenure-track faculty may also include faculty equivalents or academic professionals, whose primary duties are non-instructional, but who may hold a secondary appointment that is instructional in character. No number of non-tenure-track appointments shall create any presumption of a right to appointment as tenure-track or tenured faculty.

3.3 Faculty appointed to tenured, or tenure-track positions shall be appointed in one of the following ranks:

3.3.1 Professor;

3.3.2 Associate Professor;

- 3.3.3 Assistant Professor; or
- 3.3.4 Instructor
- 3.4 Faculty appointed to clinical-track positions may be appointed to one of the following ranks:
  - 3.4.1 Professor, with the designation of School of Nursing and Allied Health (SN);
  - 3.4.2 Associate Professor, with the designation of School of Nursing and Allied Health (SN);
  - 3.4.3 Assistant Professor, with the designation of School of Nursing and Allied Health (SN); or
  - 3.4.4 Instructor, with the designation of School of Nursing and Allied Health (SN)
- 3.5 Clinical-track faculty hold appointments that are not subject to consideration for tenure, regardless of the number, nature, or time accumulated in such appointments. Clinical-track faculty appointments are only for the periods and for the purposes specified, with no other interest or right obtained by the person appointed by virtue of such appointment.
- 3.6 Other appropriate titles which more accurately indicate the nature of the position may be used.
- 3.7 Persons assigned full-time or part-time to administrative or staff duties may be appointed to, or may retain, one of the foregoing faculty ranks in addition to any administrative or staff title, following consultation with appropriate academic units. Such persons will be informed in writing at the time of the appointment whether the faculty rank is as a tenured, tenure-track, clinical-track, or non-tenure-track member of the faculty. Administrative or staff personnel who are not appointed to a faculty position are not faculty and therefore are not entitled to the protections provided by this policy.
- 3.8 Clinical-track and non-tenure-track faculty at all institutions hold non-tenurable appointments which may be part-time or full-time and are not subject to consideration for tenure, regardless of the number, nature, or time accumulated in such appointments. These appointments are for a specified period of time as set forth in the notice of appointment. Since the faculty member thus appointed is not on the tenure track, the notice provisions set out in Section 10.5 below do not apply.
- 3.9 Non-tenure-track appointments shall have one of the following titles:

- 3.9.1 Any of the faculty ranks, but designated visiting, research, clinical, extension, or adjunct, as applicable to describe the connection or function;
  - 3.9.2 Lecturer or senior lecturer;
  - 3.9.3 Assistant, designated as graduate, research, clinical, or adjunct, as applicable to describe the connection or function.
- 3.10 Non-tenure-track full-time (1.00 FTE or the equivalent, as determined by the institution) faculty appointments may be used only if one or more of the following conditions prevail:
- 3.10.1 The position is funded by a grant, contract, or other source that is not a part of the regular and on-going source of operational funding.
  - 3.10.2 The appointment is for the temporary replacement of an individual on sabbatical or other leave of absence. Such appointments are outside tenure-track status, are subject to annual renewal, and normally may not exceed three years.
  - 3.10.3 The appointment is for the purpose of filling an essential teaching post immediately, pending a permanent appointment through a regular search and screening process. Such appointments are outside tenure-track status, are subject to annual renewal, and normally may not exceed three years.
  - 3.10.4 The position is temporary to meet transient instructional needs, to maintain sufficient instructional flexibility in order to respond to changing demand for courses taught, or to meet other institutional needs. The appointee is to be so notified at the time of the appointment. Such appointments are outside tenure-track status, are subject to annual renewal, and normally may not exceed six years.
  - 3.10.5 The appointee is granted a primary appointment as an administrator or to perform other non-instructional duties, with a secondary appointment that is instructional in character. Any faculty rank or teaching would be considered temporary, renewable on an annual basis. The appointee must be notified in writing of the status of any faculty rank.
  - 3.10.6 Appointment or reappointment to a non-tenure-track full-time faculty position shall create no right or expectation of continued appointment beyond the one-year period of appointment or reappointment.
- 3.11 All tenured, tenure-track, clinical-track, and non-tenure-track appointments will be made with consultation of appropriate faculty and other collegiate units.

- 3.12 Every faculty contract shall be for one fiscal year, or part thereof, in accordance with and in compliance with the annual budget of the institution, or supplementary actions thereto, as provided by law.
- 3.13 Every such contract shall be in writing, and a copy of the document shall be furnished to the person appointed. Such document shall contain the terms and conditions of the appointment, as delineated in Section 17 of this policy.

#### **SECTION 4. FACULTY: TYPES AND CONDITIONS OF APPOINTMENT**

- 4.1 Full-time appointments to the faculty of the institution, other than those designated as clinical-track, or non-tenure-track, shall be either tenured or tenure-track.
- 4.2 All clinical-track and other non-tenure-track appointments, as defined in Section 3 of this policy shall be neither tenured nor tenure-track, but shall be appointments only for the periods and for the purposes specified, with no other interest or right obtained by the person appointed by virtue of such appointment.
- 4.3 The appointment of a person to a full-time position is made subject to the following conditions:
  - 4.3.1 The appointee shall render full-time service. Outside activities, shall not be restricted unless such activities or employment interfere with the adequate performance of institutional duties. The institution expects its faculty to give full professional effort to assignments of teaching, research and service. It is, therefore, considered inappropriate to engage in gainful employment outside the institution that is incompatible with the faculty member's contractual commitment to the institution. Moreover, it is considered inappropriate to transact personal business from one's institutional office when it interferes with institutional duties and responsibilities. The institution shall maintain a program of periodic review of outside services of appointees to guide faculty members.
  - 4.3.2 If outside employment or service interferes with the performance of the regular institutional duties and responsibilities of the appointee, the institution has a right to (a) require the appointee to cease such outside employment or service which interferes with institutional duties and responsibilities of the appointee, (b) make such adjustments in the compensation paid to such appointee as are warranted by the appointee's services lost to the institution and by the appointee's use of institutional equipment and materials, or (c) dismiss for cause as set out in Section 12 below.
  - 4.3.3 The College may permit and encourage a reasonable amount of personal professional activity, such as consulting, by a faculty member outside the faculty member's duties and responsibilities of employment by and for the institution, provided such activity: (1) further develops the faculty member professionally, (2)

does not interfere with duties and responsibilities to the institution, and (3) does not utilize State property.

- 4.4 If the status of a faculty member changes from non-tenure-track, clinical-track, or to tenure-track, the time spent at the institution may, at the discretion of the President, be counted as part of the tenure-track period.

## **SECTION 5. JOINT INSTITUTIONAL APPOINTMENTS**

- 5.1 Faculty members may be appointed to perform academic duties at two or more public institutions of higher education in West Virginia, which duties may include teaching, research, counseling, or other services. For administrative purposes, one institution shall be designated the faculty member's "home institution," which institution shall be responsible for granting promotions, raises in salary, and tenure. However, when cause therefore shall occur, appropriate counseling, disciplinary action, and the like shall be the responsibility of the institution where the occurrence arose.
- 5.2 The conditions and the details of the faculty member's joint appointment, including the designation of the "home institution," and any other arrangements, shall be specified in the agreement between the faculty member and the institutions sharing the faculty member's services. A joint appointment will be made only with consent of the faculty member.
- 5.3 Full-time faculty members of Bluefield State College appointed under joint or contractual appointments shall continue to be considered full-time employees of Bluefield State College.

## **SECTION 6. EMERITUS STATUS**

- 6.1 Emeritus status is an honorary title that may be awarded to a retiring faculty member or administrator for extended meritorious service. The criteria, procedures and emoluments shall be set forth with other faculty personnel policies.

## **SECTION 7. PROMOTION IN RANK**

- 7.1 Within the following framework, the baccalaureate college shall maintain, in cooperation with the faculty or duly-elected representatives of the faculty, guidelines and criteria for promotion in rank for tenured, tenure-track, clinical-track, and non-tenure track faculty:
  - 7.1.1 There shall be demonstrated evidence that promotion is based upon a wide range of criteria, established in conformance with this document and appropriate to the mission of the institution. Examples include, but are not limited to: excellence in teaching; publications and research; professional and scholarly

activities and recognition; accessibility to students; adherence to professional standards of conduct; effective service to the institution, college, or department; significant service to the community; experience in higher education and at the institution; possession of the earned doctorate, special competence, or the highest earned degree appropriate to the teaching field; continued professional growth; and service to the people of the State of West Virginia. Ultimate authority regarding the application of guidelines and criteria relating to promotion shall rest with the President.

7.1.2 There shall be demonstrated evidence that, in the process of making evaluations for promotions, there is participation of persons from several different groups, such as: peers from within and without the particular unit of the institution, supervisory administrative personnel such as the department/division chairperson, and students.

7.1.3 There shall be no practice of granting promotion routinely or solely because of length of service, or of denying promotion capriciously.

7.1.4 The institution shall provide copies of its institutional guidelines and criteria for promotion to the Policy Commission and shall make available such guidelines and criteria to its faculty.

7.2 Promotion shall not be granted automatically, but shall result from action by the institution, following consultation with the appropriate academic units.

## **SECTION 8. FACULTY RESIGNATIONS**

8.1 A faculty member desiring to terminate an existing appointment during or at the end of the academic year, or to decline re-appointment, shall give notice in writing at the earliest opportunity. Professional ethics dictate due consideration of the institution's need to have a full complement of faculty throughout the academic year.

## **SECTION 9. TENURE**

9.1 Tenure is designed to ensure academic freedom and to provide professional stability for the experienced faculty member. It is a means of protection against the capricious dismissal of an individual who has served faithfully and well in the academic community. Continuous self-evaluation, as well as regular evaluation by peer and administrative personnel, is essential to the viability of the tenure system. Tenure should never be permitted to mask irresponsibility, mediocrity, or deliberate refusal to meet academic requirements or professional duties and responsibilities. Tenure applies to those faculty members who qualify for it and is a means of making the profession attractive to persons of ability. The College shall maintain, in cooperation with the faculty or duly-elected representatives of the faculty, guidelines and criteria for the award of tenure. There shall be

demonstrated evidence that tenure is based upon a wide range of criteria such as: excellence in teaching; publications and research; professional and scholarly activity and recognition; accessibility to students; adherence to professional standards of conduct; effective service to the institution, college and department; significant service to the community; experience in higher education and at the institution; possession of the earned doctorate, special competence, or the highest earned degree appropriate to the teaching field; continued professional growth; and service to the people of the State of West Virginia. Ultimate authority regarding the application of guidelines and criteria relating to tenure shall rest with the President.

- 9.2 In making tenure decisions, careful consideration shall be given to the tenure profile of the institution, projected enrollment patterns, staffing needs of the institution, current and projected mission of each department/division, specific academic competence of the faculty member, and preservation of opportunities for infusion of new talent. The President and academic officers shall be mindful of the dangers of losing internal flexibility and institutional accountability to the citizens of the State as the result of an overly tenured faculty.
- 9.3 Tenure shall not be granted automatically, or solely because of length of service, but shall result from action by the institution, following consultation with appropriate academic units.
- 9.4 Tenure may be granted at the time of the appointment by the President, following consultation with appropriate academic units.
- 9.5 Tenure may be attained only by faculty who hold the rank of Assistant Professor or above.
- 9.6 A faculty member who has been granted tenure shall receive yearly renewals of appointment unless dismissed or terminated for reasons set out in Sections 12, 13, or 14 below.

## **SECTION 10. TENURE-TRACK STATUS**

- 10.1 When a full-time faculty member is appointed on other than a clinical-track, or non-tenured-track or tenured basis, the appointment shall be tenure-track.
- 10.2 During the tenure-track period, the terms and conditions of every reappointment shall be stated in writing, with a copy of the agreement furnished the individual concerned.
- 10.3 The maximum period of tenure-track status normally shall not exceed seven years. Before completing the penultimate year (the "critical year") of a tenure-track appointment, any non-tenured faculty member shall be given written notice of tenure, or offered a one-year written terminal contract of employment. During

the tenure-track period, faculty members may be granted a tenured appointment before the sixth year of service, such an appointment is to be based upon criteria established by the institution and copies provided to the Policy Commission.

10.3.1 Institutions may establish policies to accommodate unusual situations, such policies to be approved by the Governing Board and reported to the Policy Commission.

- 10.4 During the tenure-track period, contracts shall be issued on a year-to-year basis, and appointments may be terminated at the end of the contract year. During said tenure-track period, notices of non-reappointment may be issued for any reason that is not arbitrary, capricious, or without factual basis. Any documented information relating to the decision for non-retention or dismissal shall be provided promptly to the faculty member upon request.
- 10.5 For those appointed on or before March 8, 2003 after the decision regarding retention or non-retention for the ensuing year has been made by the institution's president or designee, the tenure-track faculty member shall be notified in writing of the decision:
- 10.5.1 By letter post-marked and mailed at least no later than December 15 of the second academic year of service; and
- 10.5.2. By letter post-marked and mailed at least one year before the expiration of an appointment after two or more years of service in the institution.
- 10.6 For those appointed after March 8, 2003, after the decision regarding retention or non-retention for the ensuing year has been made by the institution's president or designee, the tenure-track faculty member shall be notified in writing of the decision by letter postmarked and mailed no later than March 1.
- 10.7 Notice of non-retention shall be mailed "Certified Mail-Return Receipt Requested."
- 10.8 Failure to provide timely notice of non-retention to tenure-track faculty would lead to the offer of renewal of appointment for an additional year, but would not prejudice further continuation after that additional year.
- 10.9 Faculty appointed at times other than the beginning of the academic year may request to have those periods of appointment equal to or greater than half an academic year considered as a full year for tenure purposes only. Tenure-track appointments for less than half an academic year may not be considered time in probationary status.
10. 10 Following receipt of the notice of non-retention, the faculty member may appeal such non-retention decision by requesting a statement of reasons and then filing a

grievance as provided in Section 15 of this policy. The request for a statement of reasons shall be in writing and mailed to the President or designee within ten working days of receipt of the notice of non-retention.

## **SECTION 11. FACULTY EVALUATION**

- 11.1 All faculty shall receive a yearly written evaluation of performance directly related to duties and responsibilities as defined by the institution.
- 11.2 Evaluation procedures shall be maintained and published with other faculty personnel policies and a copy sent to the Policy Commission and filed in the Central Office. Such procedures must be multidimensional and include criteria such as peer evaluations, student evaluations, and evaluations by immediate supervisors.

## **SECTION 12. DISMISSAL**

- 12.1 Causes for Dismissal: The dismissal of a faculty member shall be effected only pursuant to the procedures provided in these policies and only for one or more of the following causes:
  - 12.1.1 Demonstrated incompetence or dishonesty in the performance of professional duties, including but not limited to academic misconduct;
  - 12.1.2 Conduct which directly and substantially impairs the individual's fulfillment of institutional responsibilities, including but not limited to verified instances of sexual harassment, or of racial, gender-related, or other discriminatory practices;
  - 12.1.3 Insubordination by refusal to abide by legitimate reasonable directions of administrators;
  - 12.1.4 Physical or mental disability for which no reasonable accommodation can be made, and which makes the faculty member unable, within a reasonable degree of medical certainty and by reasonably determined medical opinion, to perform assigned duties;
  - 12.1.5 Substantial and manifest neglect of duty; and
  - 12.1.6 Failure to return at the end of a leave of absence.
- 12.2 Notice of Dismissal for Cause: The institution shall initiate proceedings by giving the faculty member a written dismissal notice by certified mail, return receipt requested, which dismissal notice shall contain:
  - 12.2.1 Full and complete statements of the charge or charges relied upon; and

- 12.2.2 A description of the appeal process available to the faculty member.
- 12.3 Prior to giving the faculty member a written dismissal notice, the President or designee shall notify the faculty member of the intent to give the written dismissal notice, the reasons for the dismissal, and the effective date of the dismissal. The faculty member shall have an opportunity to meet with the institutional designee prior to the effective date to refute the charges.
- 12.4 Faculty who refuse to sign or execute an offered annual contract or notice of appointment or reappointment by the date indicated by the institution for its execution, or who fail to undertake the duties under such document at a reasonable time, shall be deemed to have abandoned their employment with the institution and any rights to tenure or future appointment. Faculty objecting to terms of such document do not waive their objections to such terms by signing or executing the document.

### **SECTION 13. TERMINATION BECAUSE OF REDUCTION OR DISCONTINUANCE OF AN EXISTING PROGRAM**

- 13.1 A tenured or tenure-track faculty member's appointment may be terminated because of the reduction or discontinuance of an existing program at the institution as a result of a review of the program, in accordance with the appropriate rule relating to review of academic programs, provided no other program or position requiring equivalent competency exists. If, within two years following the reduction or discontinuance of a program, a position becomes vacant for which the faculty member is qualified, the institution shall make every effort to extend first refusal to the faculty member so terminated.
- 13.1.1 Every effort should be made to reassign an individual to instructional or non-instructional duties commensurate with the faculty member's training and experience, and offers of release time or leaves of absence should be made to enable such persons to acquire capabilities in areas in which their services would be required by the institution. Faculty development programs and funds should be used to facilitate such reassignments.
- 13.2 Institutional policy for accommodating major reduction in, or discontinuance of, an existing program shall be developed through a collaborative assessment by representatives of administration and faculty, approved by the Board, and reported to the Policy Commission prior to implementation.
- 13.3 Notice of Non-retention because of Program Reduction or Discontinuance: The institution shall initiate proceedings by giving a faculty member written notice of such non-retention by certified mail, return receipt requested.

- 13.4 The dates of formal notification for tenured and tenure-track faculty shall be those specified in Section 10 of this policy.

#### **SECTION 14. TERMINATION DUE TO FINANCIAL EXIGENCY**

- 14.1 Termination of Employment Due to Financial Exigency: A faculty member's appointment may be terminated because of a financial exigency, as defined and determined by the Board. Institutional plans for meeting a financial exigency shall be developed through a collaborative assessment by representatives of administration and faculty, approved by the Board, and reported to the Policy Commission prior to implementation. Institutions should utilize appropriate program change policies.
- 14.2 Notice of Termination Due to Financial Exigency: The institution shall initiate proceedings by giving the faculty member written notice of termination by certified mail, return receipt requested, which notice shall contain:
- 14.2.1 A delineation of the rationale used for the determination of a financial exigency;
- 14.2.2 A copy of the implementation procedures used by the institution related to the financial exigency and a delineation of the rationale used for the termination of the faculty member; and
- 14.2.3 A description of the appeal process available to the faculty member.
- 14.3 To the extent financially feasible, the dates of formal notification for tenured and tenure-track faculty shall be those specified in Section 10 of this policy.

#### **SECTION 15. FACULTY GRIEVANCE PROCEDURE**

- 15.1 A faculty member wishing to grieve or appeal any action of the institution or Governing Board may utilize the procedures set out in W. Va. Code §29-6A.

#### **SECTION 16. INFORMAL PROCEDURES FOR CONFLICT RESOLUTION**

- 16.1 The President may provide alternative procedures to those set out in West Virginia Code §29-6A for the resolution of conflicts.

## **SECTION 17. NOTIFICATION OF TERMS AND CONDITIONS OF FACULTY APPOINTMENTS**

- 17.1 When an initial appointment is made, or when the conditions of the appointment change, it is crucial that the faculty member be fully informed of the terms and conditions of employment. Therefore, a formal contract will be utilized each year to notify faculty about their appointments.
- 17.2 The letter of appointment or contract should state the following:
- 17.2.1 That the appointment (to the specified position) is offered in accordance with the provisions of institutional policy, and of the institution's faculty handbook.
- 17.2.2 That the appointment is tenured, tenure-track, clinical-track, or non-tenure-track as defined in this policy.
- 17.2.3 That the rank (in case of a tenured, clinical-track, or tenure-track appointment) is Professor, Associate Professor, Assistant Professor, or Instructor, including a clinical-track designation, as appropriate, or
- 17.2.4 That the appointment is full-time (1.00 FTE or the equivalent, as determined by the institution) or part-time with the FTE identified.
- 17.2.5 That it is a terminal contract (whenever appropriate).
- 17.2.6 That it is a joint appointment with another institution (whenever appropriate), with the home institution specified.
- 17.2.7 The beginning and ending dates of the appointment.
- 17.2.8 For tenure-track appointments, the academic year in which tenure must be awarded (the "critical year").
- 17.2.9 The total salary for the appointment.
- 17.2.10 That, consistent with the provisions of this policy, employment is subject to the fulfillment of the duties and responsibilities of the position.
- 17.2.11 That the specific assignments of the position will be determined by the institution.
- 17.2.12 That any special conditions which are included in the appointment be made a part of the contract only if they are signed by the faculty member and the President.

- 17.2.13 That a faculty member's appointment may be terminated because of a financial exigency.
- 17.2.14 That acceptance of the appointment will be specified by the faculty member's signing, dating, and returning a copy of the letter or contract to the designated representative of the institution within a reasonable time, which should be specified.
- 17.3 Renewal letters, or letters that simply inform the faculty member of a change in salary, need not contain all of the information listed above, but it is appropriate to refer to the earlier letter or contract.
