**SECTION 3. PROCEDURES**

- 3.1 Posting the Job/Advertising – The immediate Hiring Supervisor will review, and update if necessary, the job description. Changes to job descriptions for classified positions must

be reviewed by the Office of Human Resources before a classified position may be posted. Using the current, or updated if applicable, job description, the Hiring Supervisor will develop a Job Vacancy Announcement (job posting) that must include the title and type of position, education level required, type of experience and amount required, duties and responsibilities, entry level salary or salary range (if known), how to apply, and the affirmative action statement of the institution. If substitution of a college degree in lieu of experience or vice versa is allowed as determined by the respective Cabinet-level administrator relative to required qualifications, the substitution information must be expressly stated in the job posting. The Hiring Supervisor submits a request to advertise the position and obtains authorizing signatures, while electronically submitting their draft job posting to the Office of Human Resources. The request to advertise must include the type of position, the ad placements desired, the appropriate hiring department budget line to purchase the advertisement(s), and the appropriate approval signatures. All regular positions must be advertised for a minimum of ten business days. Grant funded, or *soft money*, positions or those of a fixed duration will be posted indicating that the position is contingent upon the availability and continuance of funding.

- 3.2 Non-Discrimination - All qualified candidates will be given equal consideration for posted positions without regard to race, color, religion, creed, political belief or affiliation, sex, national origin, age, mental or physical disability, genetic information, sexual orientation, marital status, gender identity and expression, or veteran status. In all cases, the best qualified candidate will be selected.
- 3.3 Applicant Screening for Required Minimum Qualifications – Applications will be screened to determine applicants who meet the posted required minimum qualifications. The initial screening process is outlined as follows.

Classified Positions - Prior to the release of applications to the search committee, the Director of Human Resources or his/her designee and the immediate Hiring Supervisor will screen applicants with regard to required minimum qualifications as posted/advertised.

Non-Classified Positions - Prior to the release of applications to the search committee, the Director of Human Resources or his/her designee and the immediate Hiring Supervisor will screen applicants relative to required minimum qualifications as posted/advertised.

Faculty Positions - The respective search committee will screen applicants relative to required minimum qualifications as posted/advertised.

For non-faculty positions, if a consensus is not reached during initial screening regarding whether an applicant meets required minimum qualifications, the immediate Hiring Supervisor, the respective Cabinet-level administrator and the Director of Human Resources will render the final determination.

- 3.4 Search Committee - A search committee will be established for the recruiting and hiring of regular, vacant positions and will serve the purpose of making recommendations and

assisting the immediate Hiring Supervisor with the search process. Search committee activities will be reviewed in accordance with College policies by the Affirmative Action Officer or his/her designee. The Hiring Supervisor will serve as a resource regarding job-related information and will have decision-making input into the selection of the final candidate for hire, subject to approval by the respective Vice President and the President.

- 3.4.1 Search Committee Composition - A search committee will consist of a minimum of three members nominated by the Hiring Supervisor subject to approval by the President or his/her designee. The search committee will consist of a diverse representation, which shall include African American representation. A diverse representation shall be defined as those with differences based upon race, gender, age, ability, ethnicity and employment status. One member of the committee will be assigned the responsibility of Chair.
- 3.4.2 Search Committee Charge - The search committee is required to review hiring related policies available online via BSC's Board of Governor's webpage, and hiring resources available online [via](#) BSC's Office of Human Resources webpages, including equal opportunity and non-discrimination information, search guidelines, search committee responsibilities and related procedures. A BSC search committee responsibilities form must be signed by all committee members and returned to the Office of Human Resources prior to the release of the applications to the committee.
- 3.4.3 Search Committee Timeline – The Hiring Supervisor and the search committee Chair are responsible to establish and monitor search process timeframes to expedite the hiring of qualified candidates into vacant positions.
- 3.4.4 Screening Tool and Interviewing Questions - The search committee will develop a screening tool and interview questions prior to the release of the applications. These will require approval by the Affirmative Action Officer or designee before applications are released to the committee. The same interview questions will be asked of all interviewees to ensure equal opportunity.
- 3.4.5 Evaluating the Candidates - At least three committee members must be present to evaluate the candidates and make recommendations to the Hiring Supervisor relative to top candidates to invite for interviews. Recommendations of candidates to interview are to be approved by the Hiring Supervisor and the respective Vice President before interviews are scheduled, and are to be communicated in writing to the Office of Human Resources in advance of any interviews conducted.

To promote the principles of diverse representation, all committee members are to be present for all interviews. Phone or video interviews may be used to assist in narrowing the finalists for the position, but may not be substituted for campus interviews during the final stages of a search. It is strongly recommended that at least three or more qualified candidates be interviewed for the purpose of narrowing the applicant pool, and that the top two finalists be

interviewed on campus. A quorum of at least 51% and at least three voting members of the committee must be present to evaluate, make recommendations, and interview candidates. Once the final candidates have been recommended by the committee and approved by the Hiring Supervisor and respective Vice President, the Chair should schedule on-campus interviews. If someone is absent from one interview, his/her comments on the other candidates should not be considered when making final recommendations to the Hiring Supervisor. When final interviews conclude, the search committee may recommend one candidate, or provide a summary outlining the strengths and weaknesses of each of the top candidates to the Hiring Supervisor.

Costs involved in the search process, including those during the interview process, are to be approved in advance and covered by the hiring department. This includes travel costs for candidates, if applicable. Positions may be re-advertised prior to interviews if the pool of candidates is insufficient to select three qualified candidates for interviewing.

- 3.4.6 Search Committee Recordkeeping - When the search committee has made their final recommendations for hire to the Hiring Supervisor, all screening tools, emails, and related documents such as notes taken are part of the search and selection file and must be kept for three years from the conclusion of the search. It is each search committee member's responsibility to sign their respective documents and deliver them to the Chair, who in turn is required to provide all such documents to the Office of Human Resources.
- 3.5 References and Background Screening - After interviews are conducted and the search committee recommends to the Hiring Supervisor the top candidate(s) to consider for hire, the Hiring Supervisor will send a written request to the Office of Human Resources to begin reference checks and a background screening. References and the background screening, which may include criminal and/or financial background check, are required before a formal offer of employment can be made. Criminal and employment background checks will be conducted as appropriate to the position. The hiring department is responsible for the cost of the background check.
- 3.6 Hiring
  - 3.6.1 For all faculty positions, original transcripts are required prior to any offer of employment. For all non-faculty positions requiring a degree, original transcripts will be required if the Office of Human Resources is unable to verify the highest educational degree attained by the successful candidate as a result of the background check.
  - 3.6.2 All hiring decisions must be approved by the President before employment is offered. An offer of employment may only be extended after all signatures of approval are obtained on the appropriate form, the reasons for selection and non-selection of all candidates have been properly documented by the Chair and

submitted to the Office of Human Resources, along with all notes and relevant documentation taken during the search process. An offer may be made by the President or the President's designee, or a member of the Office of Human Resources.

- 3.6.3 After a verbal offer has been extended and accepted, a formal written offer and/or contract will be issued by the President. The Office of Human Resources will notify all unsuccessful applicants of the closure of the search.
- 3.7 Unsuccessful Searches - If the applicants referred by the search committee are unsuitable, the Hiring Supervisor may request the committee reconvene to review the applicant pool for additional recommendations of qualified candidates. Should additional applicants be unavailable or unsuitable, the Hiring Supervisor may recommend to the Office of Human Resources that a new search be initiated. When a search is cancelled, all applicants will be notified in writing.
- 3.8 Orientation – For newly hired full-time employees, the Office of Human Resources will conduct a general institutional orientation, the Payroll Office will conduct the benefits orientation, and the Hiring Supervisor is responsible for conducting the departmental orientation including the performance management process.
