

When he doesn't want me by A Goodman

When I began to realize that I'm not wanted,

I began to distance myself.

I no longer allowed myself to feel deeply,

So as to not let them close to my heart.

Hell, they got close to my heart.

I'd be lying if I said they didn't.

I didn't want them to,

But they did.

With this new person, I devised a plan.

Keep him at arm's length

Despite my feelings for him.

If all else fails,

Like they always do,

I'll have a backup plan.

I'll have the boy right across the way that I can sleep with.

This way,

When this boy with the dark soul and beautiful smile

Decides he doesn't want me,

It won't hurt.
