

[Princeton Community Hospital](#)

ARE YOU WORRIED ABOUT COVID-19 AND DON'T HAVE A PRIMARY CARE PROVIDER?

Testing could be considered if you have any of the following,

- Fever (temperature of 100.4 or greater by mouth)
- New cough
- Congestion or runny nose
- Nausea or diarrhea
- New or worsening shortness of breath
- New shaking or chills
- New muscle pain (like flu)
- New headache (like flu)
- New sore throat
- New loss of taste or smell
- Had close contact to a COVID-positive person*

*Close contact means more than 15 minutes and less than 6 feet where infected person was not wearing a mask.

Princeton Community Hospital/Mercer Medical Group and Athens Medical Center will offer Telemedicine Triage with one of our providers via laptop, iPad, tablet, smartphone, or telephone.

IF YOUR HISTORY WARRANTS TESTING, IT WILL BE ARRANGED.

Call either
Mercer Medical Group Primary Care
at 304.487.7936
or
Athens Medical Center
at 304.384.7325.
9:00 a.m. to 4:00 p.m.
Monday through Friday.

We will accommodate as many as we can
