COMMUNITY STANDARDS IN THE RESIDENCE HALLS

Living in a residence hall at Bluefield State University means living in a community of students and scholars. This community is a dynamic place, composed of various people with different values, cultures, and attitudes. When a student signs his/her Housing Agreement, he/she agrees to abide by the terms and conditions in the agreement, as well as to the community standards established in the residence areas. Housing & Residence Life staff will work with students at the beginning of the semester and throughout the year to develop and maintain a sense of community within each floor, suite and building. The Resident Bill of Rights articulates some basic components of good relations between roommates, suitemates and hall mates. It is recommended for roommates to sit down at the beginning of the year and discuss how each would like to deal with issues such as personal property, cleaning responsibilities, study time, visits by friends, etc. These practices will assist in developing a community in which we can best learn from one another in an atmosphere of positive encouragement and mutual respect.

SAFETY AND SECURITY

The University and Residence Halls have security features including blue light emergency telephone stations, state-of-the-art smoke/heat alarm systems, a camera monitoring system, and 24-hour surveillance around campus. Safety is everyone's responsibility. Report any unusual, dangerous, illegal, harassing, or otherwise unsafe behaviors to a Housing & Residence Life staff member or to the Office of Public Safety.

Crime Prevention Tips

Criminals who see an opportunity for gain will take risks. Assault and robberies can happen to anyone, anywhere, at any time. If we work together, we can stop crime before it occurs. Crime reduction on campus requires the continued active support of the Bluefield State University community. The following are a few suggestions, which may help to prevent crime by planning ahead for personal protection.

Personal Safety...What You Can Do!

The best defense against crime is to take adequate precautions, and always practice good personal safety. Precaution and prevention are the most effective tools that can be used to reduce the chances of falling victim to a crime. Know the current environment and be alert at all times, whether at home, out walking (especially at night), driving or at work.

At Home, Your Apartment, or Residence Hall Room:

- Keep doors and windows locked when at home to keep out unwanted visitors.
- Lock all doors and windows whenever exiting. Even the best locks won't work if you do not use them.
- Don't automatically open the door when someone knocks.
- When strangers ask to use personal telephones, offer to make the necessary call but don't let the person into the room.
- Do not loan room keys or your ID to anyone.

When Walking:

- Know the locations of blue-light courtesy call boxes along daily routes.
- Plan routes in advance. Stay away from alleys, fields, and dark areas. Avoid shortcuts.
- Walk on lighted walkways on campus.
- Do not walk alone. Walk with a friend, especially at night.
- Use Bluefield City buses. Wait for the bus with a friend.
- If being followed, change directions and head for a public place.
- Have keys ready to enter a car, room, or apartment immediately.
- Do not accept rides from strangers. Don't hitchhike.

GENERAL HOUSING INFORMATION

HALL OPENINGS/CLOSINGS

The Residence Hall move-in dates and designated move-in and move-out times for residents will be stated on the University website each semester. Alternate arrangements following the identified check in times will need to be coordinated with the Office of Housing & Residence Life. Residents must vacate the halls 24 hours after their last final exam during the fall and spring semesters. Residents will be charged \$25 per half hour after the building closes if they

fail to vacate-not to exceed \$200. Any exceptions to this policy must be approved by the Dean of Students or his/her designee, a minimum of one week in advance.

Residents must vacate the halls during all university vacation periods.

When leaving for the vacation periods, residents are responsible for the following:

- All windows and doors must be closed and locked.
- All window blinds must be drawn.
- Clean the room; empty wastebaskets, remove all perishable food items from refrigerators and rooms and take all trash to designated location.
- There is a \$25 fee for each bag of trash that has to be removed from the room.
- All electronic appliances must be unplugged. Personal mini-refrigerators only need to be unplugged during winter break.
- Take all personal items that will be needed during the break period. Residents will not have access to their room during the break period.
- Remove all valuable personal belongings. The Collegiate Housing Corporation of Bluefield, Inc. is not responsible for lost or stolen property

A Housing & Residence Life staff member will check each room and suite to ensure that the above guidelines have been followed. All prohibited items will be confiscated.

KEYS & IDS

Residents will be issued a Residence Hall access card which will open the outer door to the Medical Education Center Residence Hall and then a key for their assigned room. It is the resident's responsibility to carry their key and Bluefield State University residence hall access card Student ID at all times and present the ID when requested by a university official, member of the Housing & Residence Life staff or employee of the Collegiate Housing Corporation of Bluefield, Inc. Residents must report lost/stolen keys to a member of the Office of Housing & Residence Life staff immediately. A locksmith will change the locks on the room door within a reasonable timeframe of the resident reporting the key lost or stolen. A lock change fee of \$150.00 will be billed to the resident for immediate payment. There will be no refund once a lock change has been requested.

Lost mailbox keys will be replaced for a fee of \$25.00 and will be billed to the resident for immediate payment. Failure to return keys at the time of checkout will result in lock change fees. Residents may not allow anyone to borrow their housing issued keys or student ID card. Duplication and unauthorized use or possession of university or residence hall keys is prohibited. Violation of these policies will result in student code of conduct action.

Residents must use their student ID card to gain access to the residence halls. A lost/stolen/broken ID card may be replaced for a fee of \$10.00 through Photo ID located in William B. Robertson Library. If you have any issues with your student ID, please contact the

Circulation Desk at the Library at 304.327.4054. To request a replacement card email asklibrarian@bluefieldstate.edu.

LOCKOUTS

Residents who are locked out should contact their Resident Assistant. If the Resident Assistant cannot be contacted, the resident should contact the Director of Student Housing. If the Director cannot be contacted, the resident should contact the Medical Education Center Safety Officers. A student ID must be presented at the time of the lockout. Housing & Residence Life staff members will only let residents into their assigned room. Staff members will not give residents access to other resident's rooms. Staff will not unlock doors for guests. Upon the assistance for each lockout by a staff member, the resident will be required to verify that they are in possession of their keys. Residents who cannot produce their keys may be charged for a lock change. Lockout assistance will be completed at the earliest time feasible to the Housing & Residence Life staff or a Front Desk Security Staff member. Leaving room doors unlocked is dangerous and also places roommates' belongings at risk.

MANDATORY HALL/FLOOR MEETINGS

During the semester, certain floor and hall meetings will be designated as "mandatory" by the Housing & Residence Life staff. Residents must attend mandatory hall/floor meetings with their Resident Assistant and/or Director of Student Housing. Failure to attend these meetings could result in missing out on valuable information and it will be the responsibility of the resident to get the information. Residents will be held accountable for any information disseminated. Many meetings are not mandatory; however, it is highly recommended that residents attend all meetings on their floor and for the hall so that they are aware of all information that is being provided for their benefit.

PUBLICITY & POSTING

The Office of Housing & Residence Life must approve all promotional material posted or distributed in the residence halls. Only events that meet one or more of the following criteria will be allowed to be advertised in the residence halls:

- Sponsored by a recognized Bluefield State University club, organization, or department. "Sponsored" means to have a financial and/or production involvement with the event
- A function taking place on the Bluefield State University campus

Materials in violation of the above policy will be removed. Promotional materials for other area university events or non-university groups may be posted in the residence halls with permission from the Office of Housing & Residence Life.

RESIDENCE HALL CHECK-IN/CHECK-OUT PROCEDURES

Upon occupancy of a room/suite, residents will be required to review a room condition report that has been completed by a Housing & Residence Life staff member. This report should be reviewed thoroughly and accurately with great detail and previous damage items included. Residents will have 24 hours from the time of check-in to claim any additional damages to the room condition report. After the 24-hour grace period has expired, the resident will be responsible for the condition of the room.

Upon check-out of the room, a preliminary check-out will be conducted by a Housing & Residence Life staff member. The preliminary check-out does not serve as the final damage assessment to the room. After the halls are closed, a thorough inspection will be conducted where the current condition of the room will be compared to the original room inspection report filled out when the resident moved into the room. If items are lost, missing, damaged, or not left in good condition, charges will be incurred and they will be deducted from the housing/security deposit. Damages that incur a cost greater than the housing/security deposit amount will be billed to the resident's account.

To avoid unnecessary charges during check out, be sure to follow all of the guidelines provided by the Housing & Residence Life staff. Residents who improperly check out of the residence halls will forfeit the opportunity to appeal any damages or fees. Upon leaving, the room must be clean and free from all trash and personal items. Any items that are found after keys are turned in will be discarded and a fee will be charged against resident's security deposit.

Residents must turn their suite and mailbox keys in to a Housing & Residence Life staff member. Residents will be assessed a fee for keys that are lost or not returned at check-out. This includes vehicles that are left in university parking lots without prior permission.

A resident choosing to terminate the housing agreement is required to meet with the Dean of Students or the designee to be advised regarding the financial responsibility.

ROOM ENTRY

The Office of Housing & Residence Life reserves the right to authorize personnel to enter into any area of a room in the absence of the resident. The authorized personnel include, but are not limited to: professional members of the Division of Student Affairs staff, the Collegiate Housing Corporation of Bluefield, Inc. staff, Resident Assistants, Director of Student Housing, the Dean of Students, Public Safety, Front Desk Security Officers, and repair/maintenance/cleaning personnel.

Housing & Residence staff will inspect rooms during semester breaks and other times designated by the Dean of Students. If it is believed that an immediate danger exists in a room, staff will contact Public Safety of the Bluefield Police Department for assistance. Examples of these situations include, but are not limited to; fire, possession of chemicals, explosives, weapons, or other items that would cause serious injury. The same procedure is prescribed if the danger involves assault or other acts constituting possible jeopardy to persons or property. Staff or residents may be asked to assist in a medical or emergency situation requiring room entry which threatens immediate harm to the safety of the individuals.

Staff may also enter into a resident's room to eliminate disruptive noise from electronic equipment which may violate an individual's right to sleep or study. This includes, but is not limited to, unattended stereos, televisions and alarm clocks.

State and federal laws govern entry of police officers and Public Safety officers into a resident's room for purposes of investigation. This includes, but is not necessarily limited to, officers in possession of a valid search/arrest warrant, hot pursuit, a safety emergency, or when a police officer has probable cause to believe a felony is being or has been committed by the individual therein.

SOLICITATION

Solicitation and sales of any service or product door to door in a residence hall or by way of the college telephone or mail system is prohibited, unless specifically approved by the University. Solicitation and sales by registered student organizations of any service or product in the lobby of a residence hall must have the approval of the Office of Housing & Residence Life at least one week prior to the planned sale. Commercial sales will not be allowed from individual resident rooms or other areas within the residence halls. Residents may not use residence hall rooms or residence hall telephone numbers as a place of business or for the purposes of

solicitation or for any purpose other than as a residence. Advertisement, sale or solicitation of alcoholic beverages is not allowed in the residence halls or resident mailboxes.

ELECTRICAL POWER STRIPS & EXTENSION CORDS

When additional electrical outlets are needed, residents must use U.L. approved electrical power strips with built-in circuit breakers. Multiple plug adapters and extension cords are not permitted. Power strips should never be plugged into another power strip. Power strips should never be placed on the ceiling, underneath carpet or stapled or pinched in any way. Running extension cords underneath mattresses is prohibited.

- I. The occupants of each residence hall room are responsible for all activities taking place in their room, whether they are present or not. Also, a student who is a guest in another room is responsible for the items present and activities that occur in the room where they are present.
- J. Students may not change rooms during the first three weeks of the fall or spring semester. The Office of Housing & Residence Life must approve all room changes in advance. Room changes are allowed only in the two-week period following the first three weeks of each semester. Unauthorized room changes are subject to a fine of \$50. Bluefield State University reserves the right to make changes in room assignments at any time during the year when necessary.

Double Occupancy	\$5,000.00 annually or \$2,500.00 per Fall and Spring Semester
Single Occupancy	\$7,600.00 annually or \$3,800.00 per Fall and Spring Semester (as available)

Meal Plan (all you can eat) \$5,200.00 annually or \$2,600.00 per Fall and Spring Semester

SECURITY DEPOSIT

A \$200.00 housing/security deposit is required at the time of application. This ensures your reservation of a residence hall space on campus. The housing/security deposit will be refunded if a space is not available for you at the commencement of the academic year. Upon possession of a space, the housing/security deposit will be applied towards your total amount owed for the assigned residence hall room.

Failure to turn in a room key or mailbox key will result in a \$25.00 fee per key, in addition to a lock change fee of \$80.00 when deemed necessary for security purposes. Damage costs will result in a bill for the balance, and a "Hold" will be placed by the University on your account until such damage costs are paid in full. You are responsible for ensuring the accuracy of the Room Condition Form (RCF) on both check-in and check-out and will be held accountable for all damages reflected on the RCF.

DAMAGES (INDIVIDUAL & COMMUNITY):

Residents must complete and submit a Room Condition Form (RCF) detailing any damages upon moving into their room.

Residents are held accountable for property destruction that occurs in their room and/or in the public areas of their residence hall. Residents may be charged for repair or replacement costs caused by the removal of, or destruction of, property in their residence hall room/suite. Residents are responsible for the actions of their guest(s) and, therefore, could be held responsible for any damages incurred.

The student or students responsible for intentional damage resulting from abuse of facilities, negligence, reckless behavior, or means other than those attributed to normal deterioration, will be expected to assume the cost of repair or replacement. If the responsible individual or individuals are unknown, then the occupants of the residence hall room/suite will be expected to assume the cost of the repair or replacement. Community damage will be divided among the residents and assessed to each individual student account at the end of the academic year or when the student leaves the residence hall room/suite. Community damage charges are not subject to appeal.

(Accidental) – A student may not be assessed a fine for damage if (1) he or she notifies a staff member immediately and (2) he or she accepts responsibility for the cost of the repair.

(Student Room) – Occupants of a room will be held responsible for damage to their room. When two or more residents occupy the same room and individual responsibility for damages to the room/furnishings cannot be determined, the damage charge will be assessed equally among those assigned to the room and/or suite.

ANIMALS:

You agree not to bring or feed any cats, dogs, or other animals in or about the assigned residence hall location. In the event you permit an animal to enter the assigned residence hall, you shall be solely responsible for, and you shall reimburse the University an additional license fee for, the cost of any cleaning, repair or replacement of any part of the assigned residence hall location, as deemed necessary by the University at its sole discretion. Animals used for those with physical impairments or others as approved by the Bluefield State University Academic Success Center may be allowed with confirmation of need.

COMMUNICATION:

Housing & Residence Life utilizes BLUEFIELDSTATE.EDU email system as its primary source for communicating relevant and important information to its residents. Before checking into your residence hall room, it is your responsibility set up these accounts and check them on a regular basis. Residents will be held accountable for all information communicated by email. Please note: failure to properly set up email accounts, and check them on a regular basis, does not absolve the resident complying with the directives and information that is communicated by this means.

REQUIREMENT TO VACATE CAMPUS HALLS:

In the event of a fire alarm, all residents must vacate the facility in a timely and orderly fashion. Residents may not re-enter the residence halls or other campus facility until cleared by emergency personnel and/or Housing & Residence Life staff. Failure to evacuate may result in fines, discipline pursuant to the Student Code of Conduct, or both.

If the University orders the campus to close because of a serious weather event (i.e., tornado, hurricane, flood, snow storm, other natural disaster or other emergency), residents must vacate their rooms until further notice. There will be no abatement for housing or meal plan fees. Residents are encouraged to sign up for Bluefield State University Alerts, and to frequently check their college email for updates.

ABANDONED PROPERTY POLICY:

Any personal property that remains in a bedroom or residence hall upon termination of the on-campus housing agreement shall be deemed abandoned and may be disposed of by the Corporation in its sole discretion. The Corporation may, but is not required to, notify the resident and/or the resident's parent

or guardian that property has been found in room. Neither the Corporation, nor its agents, employees or other personnel, assumes responsibility for any such property at any time, regardless of any course of action taken.

RCC 6: Health & Safety Inspections and Room Cleanliness

Residence Hall students must keep rooms and bathrooms clean and presentable, including when preparing for University breaks. Residents must regularly dispose of trash in appropriate receptacles and at designated locations.

The university expects a certain level of cleanliness and a certain level of safety standards to be maintained in the residence halls. It is the responsibility of all residents within a room to maintain a clean and healthy living environment. To ensure that this standard is met, the Housing and Residence Life staff will conduct:

- Regular "walk-throughs" to make sure the rooms are kept in a safe and sanitary condition;
- Regular health and safety inspections of the entire room, including individual student rooms and bathrooms;
- West Virginia State fire safety inspections of the entire residence hall, including individual rooms and bathrooms.

If a problem is noted in the room, residents will be given a verbal/written request to rectify the situation by a specific date. At that time, the room will be re-inspected. Failure to correct a documented problem may result in student conduct action.

Excessive damage or a problem that produces an unsafe/unhealthy living condition may result in student conduct action including, but not limited to, residence hall probation, professional cleaning charges or the loss of residence hall privileges.

Any fines that are imposed by the West Virginia State fire inspector will be billed directly to the resident (s) responsible for the violation. In the case where the responsible party cannot be identified for a violation within a suite, the amount will be split equally among the members of the suite.

Residents must keep their room in a condition that is ready to accept a roommate when a vacancy exists within that room. This includes keeping a bed, closet, drawer space, and desk clear from belongings.

RCC 7: Fire Safety

Fire Safety Rules

The residence halls are equipped with many safety features. In addition, annual fire safety inspections are conducted by local and state officials. Any failed or successful attempt to dismantle or bypass any of these safety features is prohibited. This includes, but is not limited to, security cameras, building access doors, exterior and interior safety lights, sprinkler system and fire alarm system. Residents are expected to observe fire code regulations. Violators of these regulations are subject to student conduct action, payment of any damages, and fines. Personal items that are in violation of the fire code will be confiscated and tagged. All confiscated items which are not picked up and taken home within thirty (30) days will be disposed of by the Housing & Residence Life staff. Residents will be subject to a fine.

- For the protection of residents, residence halls are equipped with smoke and fire detection, sprinkler systems and fire extinguishers. Possessing an extension cord or configuring cords to function as extension cords is prohibited. Electrical cords cannot be placed under items other than a rubberized cord protector. All electrical items must be directly plugged into a wall outlet or “temporary” power strip (with built-in circuit breaker) marked with UL approval and carry no more than 15 amps. Multi-outlet devices such as adapters, cubes, plug-in air fresheners etc., are prohibited. Dimmer switches and ceiling fixtures may not be installed.

It is important to remember when hanging items on the wall, to use substances that will not damage the wall. Wall coverings, such as, but not limited to paper, posters, pictures, tapestries, wreaths, etc., are permitted. Nails, tacks, and other sharp objects to hang items are not permitted. All wall decorations must be hung at least 12” lower than the ceiling. Items which are highly flammable may not be placed on student room doors or other areas restricted by state fire code. Television wall mounts are not permitted. If the room or furnishings are damaged in any way, the resident will be billed and may be subject to student conduct action.

Additionally, residents may not cover their walls or hang from their ceiling’s items such as tapestries, sheets, canopies and fishnets. Window curtains are prohibited. Items are not permitted to be hung or placed over light fixtures, sprinkler heads, or smoke detectors.

Fire Safety Tips

- Before leaving the room, touch the door to see if it is warm. If the door is warm, DO NOT open it. If possible, put a damp towel along the bottom of the doorway. If the door is not warm, crack the door to see if there is smoke.
- Put a damp towel over your mouth and nose to keep from breathing smoke.
- Crawl or stoop low on the floor to avoid smoke inhalation.
- If you are trapped and there is a phone nearby, call Public Safety.
- Close doors and windows behind you to help prevent the spread of fire. Do not lock the doors.
- Do not use the elevators.
- Call Public Safety to report the fire from a safe location.

RCC 8: Room Furnishings

Each resident room is fully furnished. University mattresses are to be used only on the provided bed frames. All beds must remain free standing on the floor, supported by legs attached to the bed frame. The Housing and Residence Life staff will take inventory during check-in and all items recorded on the inventory form must remain in the room at all times. Residents may be limited in the amount of personal furniture in each room/suite. Damaged or missing furniture will be billed to the resident of the room. To avoid excessive mattress damage, it is strongly recommended that residents bring an extra-long twin mattress pad for their bed. Room furniture may not be dismantled at any time for any reason. Students may not remove University property from its designated location, which includes residence hall room furniture and furnishings from lounges or other spaces. Residents may have non-University furniture in their rooms, provided residential staff has approved the furniture and it does not create a fire or other safety hazard. Residents may not make repairs, modifications, or alterations to any University property or furniture.

Students are not permitted to have waterbeds or beds larger than twin-size in the residence halls.

RCC 9: Visitation & Guest Policy

Note: Due to recent COVID restrictions, visits to campus housing can be restricted to persons who meet the University's COVID-19 guidelines. See housing staff for current COVID guidelines and requirements.

VISITATION POLICY

A resident's right to privacy and comfort takes precedence over the community member's privilege to have visitors. It is important for roommates to discuss visitation and to arrive at an agreement acceptable to all roommates in the residence hall room. A non-resident is defined as any person who is not a designated resident of a residence hall room. Non-residents must

possess a valid photo ID (driver's license, work/college ID) and be signed in at the front desk during visitation hours. Non-residents must be in the presence of the host resident at all times. The visitation policy will be strictly enforced. Residents will be subject to student conduct sanctions and/or a fine if the guest visitation period is exceeded. The storage of guest/visitor property within the units is prohibited. Non-residents may not use a resident's keys or access card. Non-residents are prohibited from visiting the residence halls for an extended period of time.

Any non-resident can be asked to vacate the residence halls at the discretion of the Director of Student Housing, Public Safety or the Dean of Students at any time. Failure to vacate the premises upon request may result in the issuance of a *persona non grata* or trespass warning which prohibits future visits to the residence halls as well as all areas immediately surrounding the residence halls. Failure to abide by this issuance may result in the arrest of the individual and conduct action upon the host.

Non-residents must comply with all university policies and residence hall rules/regulations. Residents that host non-residents are responsible for the non-resident's behavior. If a non-resident creates a disruption and affects a roommate, other residents, or the community, they may be asked to leave the halls and the resident may be held accountable for their actions. In cases where a non-resident damages property or violates hall/college policy, the resident host may be subject to student conduct code sanctions and/or restitution. This includes items found during searches.

- All non-residents must contact their host to be signed in.
- Residents will be limited to signing in two (2) non-residents.
- There is an 8-person occupancy limit on residence hall rooms.
- All non-residents, including parents and family members, will be required to sign in at the front desk. Any exceptions will be made by the Director of Student Housing.
- Hosts will be required to bring their Bluefield State University IDs to the front desk when signing in non-residents.
- All non-residents will be required to present a valid photo ID at the front desk. The ID must be a university ID, driver's license or other appropriate form of identification.
- All non-residents must be registered at the front desk during desk hours.
- Any visitor, overnight guest or resident entering the residence hall(s) is subject to search by authorized personnel.
- Children under the age of 17 visiting the halls must be accompanied by a parent or guardian and may only visit between the hours of 10:00 a.m. – 8:00 p.m. Any child may be asked to leave the halls at the discretion of the Director of Student Housing, the Dean of Students, or Public Safety at any time. Any exception to this policy may be made by one of the aforementioned parties.

The front Security desk in the Medical Education Center Residence Hall is staffed 24 hours a day when students are residing in the building. Times are subject to change based on staff coverage.

Resident students are permitted to have visitors during the following times:

Sunday – Thursday: 10:00 AM to 10:00 PM
Friday & Saturday: 10:00 AM to Midnight

OVERNIGHT GUEST POLICY

Overnight guests are permitted, with the consent of the roommate, only on Friday and Saturday nights. If a guest is asked to leave by the roommate who is not the host student, the guest must comply. Overnight guests are defined as any individual (student resident or non-resident) who is not the assigned and designated resident of a residence hall room at Bluefield State University. All overnight guests must be registered with the Office of Housing & Residence Life by 5:00 PM on Fridays. Forms may be obtained in the Office of Housing & Residence Life and must be signed by all room occupants. All overnight guests must be at least 18 years of age.

All guests of Bluefield State University students must be escorted by their hosts at all times. It is the responsibility of the host student to ensure that their guests abide by all Residence Life and University policies. The host student assumes full responsibility for their guest's actions. Any violation of policy may result in the guest being asked to leave the campus immediately, the guest being barred from future visits to campus, and the host being processed through the University Student Conduct Process.

Residents signing in a non-resident as an overnight guest must do so at the time of registration at the front desk.

- Overnight non-residents are permitted, but may not reside in any suite for more than three days in any given two-week period.
- Overnight non-residents who fail to sign out of the residence halls at the sign-in desk prior to the end of desk operations will be considered an overnight non-resident.
- Residents may not host guests who have been restricted from any residence hall or college property.
- Under no circumstances will guests be issued keys or mattresses.
- All registered overnight guests will be issued a registration confirmation/guest pass. Guests must keep this pass with them at all times and it must be shown upon request to any College personnel.

RCC 10: Full Time Status

Residents must be enrolled full-time each semester to reside in the residence halls. "Full-time" is defined as twelve (12) credit hours or more that includes hours adjusted during the drop-add period. If a resident falls below the credit hour requirement, they may be removed from the residence halls.

It is strongly recommended that residents enroll for a minimum 15 credit hour load. This would provide a safeguard so that a resident does not fall below full-time status (12 credit hours), if a schedule is adjusted.

There are a number of ways a resident can drop below full time:

- Drop/Add
- Withdraw
- Faculty member can withdraw a student

A resident should not fall below twelve (12) credits without prior approval of the Dean of Students or his/her designee. Residents are encouraged to respond to all notices regarding registration status. Failure to respond will result in denied or limited access to the residence halls or removal from the residence halls.

RCC 11: On-Campus Housing Rule

All first time, first semester students under the age of 21 are required to live on campus the first year, for two consecutive semesters (excluding summers). Exemptions to this policy may be granted if the student:

1. Student lives at home with parents or relatives (immediate family members such as grandparent or sibling) or legal guardians who are age 21 or over and are permanent residents within commuting distance of the University (1-hour drive time or 60 miles).
2. Is currently married and living with a spouse.
3. Students who are veterans or currently in reserve status or the National Guard with one or more years of active service.
4. Students who have reached the age of 22 prior to the first day of classes.
5. Students who have a dependent child of whom they have legal custody.

RESIDENCE HALL STUDENT CONDUCT REGULATIONS

Student Conduct Process and Procedures

The residence hall student conduct process is designed to enforce university policy and residence hall regulations while maintaining educational principles. Community living requires standards of conduct, cooperation, negotiation, and respect for all community members,

including students and staff. The student conduct process functions cooperatively with the Dean of Students, the Campus Judicial Officer, Housing & Residence Life Staff, Public Safety, and local police and emergency response agencies. A resident may be referred to the Campus Conduct Officer for an alleged policy violation. Residents should refer to the Bluefield State University Student Code of Conduct for more information. Students living in the residence halls sign a housing agreement that stipulates individual resident student responsibilities. The rules and regulations apply to all residents and their guests/visitors as part of this agreement.

NOTE: Students will be notified via the Bluefield State University email system of all scheduled student conduct matters (hearings, decisions, appeals and etc.). It is the responsibility of each student to check their email in a timely manner when involved in a student conduct incident. If a student is unable to access their email or has a problem viewing any correspondence, it is their responsibility to seek the assistance of a student conduct officer or residence hall staff member.

STUDENT CONDUCT OFFICERS

Director of Student Housing. The Director of Student Housing is a designated conduct officer for the residence halls and will adjudicate all but the most serious of residence hall incidents. The Director is empowered to determine responsibility and assign sanctions based on policy and protocol as determined by the Dean of Students.

Office of the Dean of Students. The Dean of Students is a designated conduct officer and hears appeals of the Director of Student Housing's decisions and adjudicates incidents in which high level sanctions (i.e., removal from the residence halls) may be imposed. The Dean of Students (or designee) adjudicates the most serious of residence hall incidents, where university conduct regulations are also violated. The Office of the Dean of Students may impose sanctions for the residence halls and the college simultaneously.

DIRECTOR OF STUDENT HOUSING

When the Director receives notice of a possible violation of a university policy or residence hall regulation (notice meeting), the Director will review the report and schedule to meet the referred student(s) for a student conduct hearing to discuss the incident.

At this meeting, the referred student(s) will be provided a description of the incident and the alleged violation(s). The student(s) will be given an opportunity to hear the allegations and give their description of what happened. During this meeting, the student is expected to be honest and encouraged to ask questions. The Director may dismiss allegations based on insufficient evidence.

If a resident fails to attend the student conduct hearing with the Director, the hearing may take place in the absence of the student. The resident is responsible for completing all assigned

sanctions. The resident maintains the right to appeal the decision to the Office of the Dean of Students.

The Director may choose from any of the following options:

- Refer the incident to the Office of the Dean of Students (or designee) for adjudication of the incident.
- Find the student “responsible” for violation of one or more allegations.
- Find the student “not responsible” for violation of one or more allegations. Dismiss one or more allegations based on insufficient evidence.

- **Educational Sanctions.** This can be a requirement to include a writing assignment(s) or attending a class, counseling session(s), or workshop.
- **Educational Project.** An educational project designed to assist the student in better understanding the overall impact of their conduct decision may be imposed. Such assigned projects may include, but are not limited to, research papers, the creation of educational materials, or the planning and/or presentation of educational programs related to the policy infraction. Assigned projects may not include physical labor unless they are directly related to the violation(s) and are not designed to cause humiliation or degradation to the student.

Such written statement shall become a part of the University's student conduct file and the student's educational record.
- **Residence Hall Relocation.** An official action moving a student from one room to another within the residence halls.
