Assistant or Associate Professor of Computer Science
(Full-time, tenure-track faculty position anticipated for Fall 2022)

POSITION TITLE: Assistant or Associate Professor of Computer Science
JVA #: 2021-27

DEPARTMENT: Department of Computer Science
School of Science, Technology, Engineering, and Mathematics (STEM)

POSITION SUMMARY: This is a full-time, tenure-track, nine-month position at the level of Assistant or Associate Professor (rank depending upon qualifications). We seek a candidate with a minimum of a Master’s degree required (PhD in Computer Science, Information Systems and/or Technology or closely related field preferred), to teach lower- and upper-level college courses in computer science and also supervise laboratory experiences. An ability to effectively use alternative teaching modalities (e.g., on-line, video livestreaming) in addition to teaching in a traditional classroom setting is required. This position will work as a team member on undergraduate program development. Appointment anticipated to begin August 2022.

POSITION RESPONSIBILITIES: All faculty positions include a minimum of 12 credit teaching load (may include online, web-based or interactive video instruction and/or teaching courses at off-campus locations), academic advising, and participation in school committees and College governance. The successful candidate will demonstrate evidence of the potential for excellence in teaching, and dedication to College and community service.

All faculty are expected to:

- Take a supportive interest in the academic progress of each of his/her students.
- Meet with his/her classes as scheduled.
- Maintain adequate office hours as assigned so that he/she may be available to the students for conferences to assist students toward achieving student success.
- Participate in the faculty-student advisory program.
- Keep abreast of his/her academic discipline through continuing study, and/or active participation of his/her professional organizations.
- Continuously strive to improve the effectiveness of his/her teaching.
- Keep accurate records of grades and other information required by the Deans, Registrar, Provost, President and any other administrator as may be appropriate.
- Attend all faculty meetings of the college and the respective school in which the faculty teaches.
• Attend commencement and convocations and to cooperate fully with the BSC Board of Governors, the President, the Provost and the Dean in promoting the interests of Bluefield State College and the respective School.

MINIMUM REQUIRED QUALIFICATIONS: Master’s degree in Computer Science or closely related field required (PhD in Computer Science, Information Systems and/or Technology or closely related field preferred). Ability to teach effectively using alternative modalities (e.g., on-line, video livestreaming) in addition to a traditional classroom setting is required. Candidates should have experience in or potential for applied research with business, industry or government agencies.

COMPENSATION: Salary and rank will be commensurate with qualifications and experience. Hiring salary for this position is anticipated to be in the mid $50Ks. This position is contingent upon available funding.
