Study Abroad Worksheet of Costs and Expenses

The Federal Cost of Attendance Budget used to calculate your financial aid eligibility is based on your enrollment status and includes estimated costs of tuition, fees, books & supplies, room & board, transportation and miscellaneous educational related expenses. Documentation must be provided if any increase is sought for additional financial aid appeals, (i.e., study abroad etc.) before appeals will be reviewed. Documentation must be included with this worksheet.

Airfare	
Visa	
Passport	
Insurance (Health, Travel, etc.)*	
Meals required by student to pay	
Personal/Miscellaneous Expenses	
On-site support costs	
Outside Study Abroad Tuition costs	

***Please note that students who participate in the study abroad program are required to provide proof of insurance (i.e., health, travel, etc).**

I certify by signing below that all the information and any attachments are complete and accurate to the best of my knowledge. I understand that if any federal student aid is received based on incorrect information, the aid will have to be paid back to Bluefield State College. I may also have to pay any fines or penalties associated with giving false information. I understand that as a **student participating in either the BSC sponsored or Outside Study Abroad Programs, I am responsible for paying all costs and meeting the requirements for using Federal Student Aid Funds.**
