## ISO Thanks Embassies' Participation in BSC's Inaugural UN Day Celebration

**FOR IMMEDIATE RELEASE**

**November 4, 2016**

BSC International Student Organization is grateful to the particular diplomats of the embassies of Latvia, Slovenia, and Taiwan and their peoples for sharing materials highlighting the scientific, cultural, and historical achievements of their respective polities during Bluefield State College first annual United Nations Day celebration on October 24, 2016.

The contributions from these embassies buttressed the original aims of the UN Charter, adopted in 1945, to supplant chaos with order and provide a peaceful path forward for humanity and avoid the scourge and destruction of war.

These embassies, as well as others, will be invited to participate in future UN Day celebrations at Bluefield State College. Through their participation, a greater awareness about other countries and their peoples will result and will help to promote student and faculty exchanges.
