Bachelor of Science in Nursing

ONLINE RN TO BSN PROGRAM

Bluefield, West Virginia

The baccalaureate degree program in nursing at Bluefield State College is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001 (202) 887-6791
OVERVIEW AND ACCREDITATION

The BSN Program is a nationally accredited RN to BSN Program that is designed for the working registered nurse. This is a “2 + 2” nursing program in which AS nursing graduates can complete their BSN in 3 or 4 semesters.

All nursing classes are offered online and some courses require clinical experiences that may be completed in the student’s home county. Boot Camps are required days of class with faculty provided via “Live Streaming.” Students have 3 options for attending the required classes: Attend live class on the Bluefield campus, attend live class virtually from their home computer, or watch the archived class video within one week from when the class was held.

Students may complete support courses at Bluefield State College or other colleges or universities. Completion of the BSN degree requires a total of 120 credit hours.

The baccalaureate degree in nursing at Bluefield State College is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001 (202) 887-6791.

RN to BSN Program

MISSION, GOAL & STUDENT OUTCOMES

Mission: The mission of the RN to BSN Program is to provide students an opportunity for quality baccalaureate nursing education that is both affordable and geographically accessible, and prepares students to meet the diverse health care needs of the community, state, and nation. The nursing faculty is committed to planning and implementing a quality baccalaureate program for registered nurses which promotes students’ intellectual, personal, ethical, and cultural development in a diverse and caring environment. The scope of professional nursing education is believed to be one that enables and empowers the student to recognize the ethical, legislative, economic, regulatory and political aspects that define the scope of professional nursing practice. The roles inherent in the status of the professional nurse include but are not limited to: provider of direct and indirect care, designer/manager/coordinator of care, member of a profession, patient/client advocate and educator, and life-long learner.
RN to BSN Program Part-Time/Open Enrollment
(Complete in 6 semesters)

Semester 1: Fall
_______ Nursing 301 Advanced Health Assessment for RNs - 3 hrs.
and/or
_______ Nursing 303 Complex Health Problems – 4 hrs.
_______ Support Course (s) *Make Math 210, Elementary Statistics a priority

Semester 2: Spring
________ Nursing 306 Ethics and Issues in Professional Nursing–3 hrs.
________ Support Course (s)

Semester 3: Fall
______ Nursing 300 Concepts of Professional Nursing - 4 hrs.
______ Nursing 303 Complex Health Problems (if not previously completed)
______ Support Course (s)

Semester 4: Spring
______ Nursing 302 Community Nursing – 3 hrs.
______ Support Course(s) *Must have completed Math 210 Statistics to be eligible to take NURS 405 Nursing Research.

Semester 5: Fall
______ Nursing 403 Gerontological Health Care Issues - 3 hrs.
______ Nursing 405 Nursing Research - 3 hrs.
______ Support Course (s)

Semester 6: Spring
______ Nursing 402 Nursing Management and Leadership – 3 hrs.
______ Nursing 412 Senior Practicum – 4 hrs.
______ Support Course (s)

*Students must complete BSN nursing courses within 5 years of enrollment in the program. If a course is completed as an “open-enrollment” course, that course is valid for 7 years.

Goal: The goal of the BSN Program is to provide registered nurses with learning opportunities to acquire the knowledge base and skills to practice nursing at the professional level.

Student Outcomes:

1. Assess the health/illness status of individuals, families, and communities throughout the lifespan utilizing a holistic perspective.
2. Recognize how components of diversity impact health and health care.
3. Broaden advocacy skills for the nursing profession and the patients/clients served.
4. Employ critical thinking skills as a basis for professional nursing practice.
5. Use effective communication skills and interprofessional collaboration consistent with the role of the professional nurse.
6. Understand how to read and critique nursing research for its applicability for evidence-based nursing practice.
7. Utilize professional nursing management, leadership, and interprofessional educational (IPE) skills to coordinate comprehensive health care.
8. Apply an ethical decision-making framework incorporating the ANA Professional Code of Ethics, professional standards, and an awareness of personal values in nursing practice.
9. Develop and implement health education programs for diverse populations in a variety of settings.
10. Apply an increased depth and breadth of knowledge in managing patients/clients with acute complex health problems.
11. Utilize evidence-based nursing strategies in planning care for patients/clients throughout the lifespan.
12. Understand the increased complexity of health, wellness, and health problems experienced by the older adult.

Reviewed 2/1/2019
BSN Eligibility Requirements

1. GPA of 2.5 from college courses.
2. Meet general admission requirements of Bluefield State College.
3. Have completed the English and Math general studies requirements.
4. Be a graduate of a state approved, ACEN accredited Associate Degree or Diploma Nursing Program.
5. If not a graduate of Bluefield State College Associate of Science in Nursing program, official transcripts are required.
6. Have a current, unrestricted U.S. RN license – BSN faculty will verify this online.
7. Second Year ASN students may be accepted but enrollment is contingent upon passage of the NCLEX-RN licensure examination prior to the first day of class.
8. Meeting minimal qualifications does not guarantee acceptance.

The application to the RN to BSN program is online (https://www.bluefieldstate.edu/admissions/apply) & available year round. Call Admissions at 304-327-4065 or 4066 with any questions. The fall class will be accepted beginning in the spring semester of the year for which admission is sought.

*Out of state residents may qualify for “metro rate” tuition.

PART-TIME/OPEN ENROLLMENT OPTION

RNs who wish to pursue the BSN degree may enroll in the 3 BSN open enrollment courses (if seats available) while awaiting full-time admission to the program. This option helps ease the transition to online learning and helps to lighten the academic load for the newly graduated RN as well as the experienced RN considering returning to school.

The 3 BSN open enrollment courses are:
- Nursing 301: Advanced Health Assessment for RNs. (3 credit hours)*
- Nursing 303: Complex Health Problems (4 credit hours)*
- Nursing 306: Ethics & Issues in Professional Nursing (3 credit hours)*

To take these courses, students must complete the BSN application online and then email Jennifer Johnson, Senior Admissions Counselor (jjohnson@bluefieldstate.edu) and Carol Cofer, RN to BSN Program Director (ccofer@bluefieldstate.edu) that the part-time/open enrollment option is desired.

*Students must complete BSN nursing courses within 5 years of enrollment in the program. *If a course is completed as an “open-enrollment” course, that course is valid for 7 years.
3 SEMESTER OPTION

The 3 semester option is available to students admitted to the RN to BSN program who are currently enrolled in the Junior Year – Fall Semester. Applications are due by December 1 and will be reviewed by the BSN faculty. Students will be notified by the conclusion of fall semester if they have been accepted.

This option is academically demanding, requiring 20-30 hours of academic work each week, regular communication with nursing instructors, and is best suited to the mature student who can commit the time necessary to complete the demanding course work. Academic performance in the BSN Program is evaluated when faculty review applications. Space is limited in this track.

The 3 semester track in the RN to BSN program is a very rigorous academic track.

The semesters are as follows:

Junior - Fall: NURS 300, 301, 303 (11 credits)
Junior - Spring: NURS 302, 306, and 402 (9 credits)
Senior - Fall: NURS 403, 405, and 412* (10 credits)

*Nursing 412 is an independent, advanced practicum that requires exceptional time management and leadership skills.

Minimal Eligibility Requirements:

1. Overall GPA 3.0 or greater.
2. Bluefield State College overall GPA 3.0 or greater.
3. Student’s grade in each BSN Nursing course must be a “B” or higher.
4. Student must make a grade of “B” or higher on the oral presentation in Nursing 300.
5. Student must make a grade of “B” or higher on the final paper in Nursing 303.
6. The candidate must show a mastery of APA skills as evidenced by his/her assignments in Nursing 300 and Nursing 303. Oral and written communication skills from assignments in these 2 courses will be used to evaluate critical thinking and competency in APA, which is mandatory to succeed as a 3 Semester student.
7. Completion of all support courses by the conclusion of the first semester in the BSN Program.*

*If a student has completed all the open enrollment BSN nursing courses (N301, N303, N306), exceptions may be considered for completion of electives. All electives must be completed prior to starting the last (third) semester of the nursing program.

PROGRAM REQUIREMENTS FOR BSN DEGREE

Lower Level Nursing Courses (ASN Nursing) 40 hours*

Basic Skills Component 15 hours
Composition (English 101, 102) 6 hours
Mathematics (Math 101, 101L, 109, 109L, 110, 220, GNET 115, GNET 116, BUSN 250) 3 hours
Technology Literacy (any COSC-prefix course, BUSN 130, MEET 112) 3 hours
Communication (COMM 201, 208) 3 hours

Core Skills Component 3 hours
Literature (ENGL 201, 205) 3 hours

Fine Arts/Humanities/Social Science 9 hours
Required: General Psychology (PSYC 103) 3 hours
Recommended: Principles of Sociology (SOCI 210) 3 hours
3rd course may be selected from:
ARET 205, ECON 211, 212, ARTS 101, 205, 208,
FREN 101/102, SPAN 101/102, GEOG 150,
HIST 101, 102, 105, 106, HUMN 150, 222, 223,
MUSC 150, 200, POSC 200 or 210, 218,
THEA 200.

Health & Wellness 2-3 hours
Health 101, 310
Physical Education (any 2 hour PHED course)

Physical/Biological Sciences (Must include lab courses) 8 hours
Required: Anatomy & Physiology (BIOL 210 or 212) 3 hours
Required: Anatomy & Physiology Lab (BIOL 211L or 213L) 1 hour
Remaining 4 credits of lecture/lab may be selected from: 4 hours
Biology (BIOL 101/103L, 102/104L, 202/204L), Chemistry (CHEM 101/103L, 102/104L), Environmental Science (ENSC 201/203L, 202/204L), Physical Science (PHSC 101/103L, 102/104L), Physics (PHYS 201/203L, 202/204L), General Engineering Technology (GNET 101, 102)

(continued on next page)
**Required:**
Elementary Statistics (MATH 210) 3 hours

**Electives:** 10 elective credit hours are required.
Recommended: Life Span Human Development (PSYC 210)
3 hours 100-200 level 3 hours
7 hours 200-400 level 7 hours
