

Office of the Director of Associate Degree Programs

March 8, 2023

Hello perspective WV Junior Nurse Academy Student,

I am excited to announce the third WV Junior Nurse Academy to be held in Mercer County in June of 2023. The Academy will be held on the campus of Bluefield State College with excursions to WVU Medicine/Princeton Community Hospital daily. The dates of the Academy are June 27th thru June 29th. This is an excellent opportunity for current eighth grade students to spend three days being “Junior Nurses.” During the Academy the participants will learn nursing skills, participate in simulated activities, become certified in CPR and other exciting activities. The academy is free to all participants.

We will be implementing safety measures to keep all of the young people safe during their time with us. All sessions will have reduced availability to meet social distancing guidelines. With this being said, all dates and activities are subject to change and or cancellation.

Applications are due by April 28th.

Selections of participants for the academy and acceptance letters will be distributed in April. The acceptance letter will have information on health and immunization records required for program.,

The WV Junior Nurse Academy is supported by the WV Center for Nursing, Bluefield State College and WVU Medicine/Princeton Community Hospital. The mission of the Junior Nurse Academy is to inspire middle school students to pursue a professional nursing career.

Applications can be mailed to the address below or emailed to:

swynn@bluefieldstate.edu.

I look forward to seeing your applications.

Sincerely,

Sandra Wynn, MSN, RN, APRN-BC
