

## Academic Integrity Quiz

1. **T / F**        If you copy and paste sentences from multiple websites, assemble them into paragraphs and provide no references or citations, it is not considered plagiarism as long as you change a few words.
2. **T / F**        Someone cheating in your class does not effect on your own grade.
3. **T / F**        According to the BSC Student Honor Code, as a student, you are ethically responsible for reporting any instances of academic dishonesty you are aware of happening to the appropriate faculty member or administrator.
4. **T / F**        Academic Integrity only benefits the institution.
5. **T / F**        If you tell another student questions on a test that you have already taken before they take the test, you have just cheated and charges of academic dishonesty can be brought up against you.
