A. Purpose Statement

The county and schools will provide supervised clinical experience to assist in the translation of theory and research into practice. These schools will provide an environment where current research-based instructional practices and programs can be observed and experienced by those preparing for professional careers in education.

The partnership is collaboration among school/college faculty and students to enhance public education. This partnership is founded on the premise that both learners of public schools and learners from the college can benefit this partnership.

We seek to achieve the following goals:

- The best possible environment for student academic learning and personal self-fulfillment
- Opportunities for pre-service and career-long professional learning and development of teachers
- Ongoing access to the best knowledge and talent related to student learning and development
- To create opportunities for enhancing the professional nature of teaching

B. The School Should Be Prepared to Provide:

- Placement for Bluefield State University students
- A cadre of teachers to be invited to participate in in-service seminars on current practices of teaching/supervision
- Flexible field experiences with access to a wide range of grade levels and facilities
- Access to curriculum materials and instructional technology
- Access with necessary approval to school information/data for clinical related work
- Opportunities for school faculty to voluntarily participate on the EPPAC and other committees

C. The Teacher Education Unit Should Be Prepared to Provide:

- Consultant services and technical assistance in a variety of educational activities
- Workshops and seminars related to selected educational topics
- College staff to serve on committees as requested
- Assistance in grant writing for collaborative projects

School System and Institution of Higher Education Articles of Agreement For Teacher Candidate Clinical Experiences and Student Teaching

This agreement made on the 1st day of April, 2022, by and between Bluefield State College and Mercer County Public Schools will set forth responsibilities relating to the placement of teacher candidates for clinical experience and student teaching in the public schools during the 2022-2023 fiscal year. This agreement shall be effective from July 1, 2022, through June 30, 2023.

I. The Institution of Higher Education

- A. Affirms that all teacher candidates are bona fide students of the institution requesting placement in the county.
- B. Affirms that all teacher candidates will be placed at teaching stations following the school system's procedure for securing proper placements and selection of professionally certified cooperating teachers.
- C. Affirms that all teacher candidates placed have met the minimum course work required at the level appropriate for clinical or student teaching experience(s), have obtained a WVDE Student Teacher Permit prior to placement and have submitted Permit and Results of Background Check to Mercer County Board of Education prior to placement.
- D. Affirms that the teacher candidates will be properly supervised, a minimum of five (5) visits per placement, by Institution of Higher Education personnel.
- E. Affirms that Institution of Higher Education personnel will consult with proper school system administrators and teachers on the progress or lack of progress of teacher candidates during the clinical or student teaching experience(s).
- F. Affirms that teacher candidates will abide by all regulations of the school system.
- G. Affirms that teacher candidates have been instructed about employee confidentiality and confidentiality of student records and will fully comply with county practices as outlined in Mercer County Policies J-4, BFH, and G-24 section 3.1.7.
- H. Affirms that any compensation or tuition waiver for principals and/or teachers of cooperating schools is provided throughout the school system unless otherwise agreed.

II. The School System Board of Education

- A. Affirms that it will permit teacher candidates as approved by the Board to practice teach and become involved in other educational activities.
- B. Affirms that it will place all teacher candidates (both clinical and student teaching) on the Board's agenda and make their presence and assignment(s) in the school system a part of the board minutes, hereby recognizing their official acceptance in the school system as being placed.
- C. Provides adequate counseling/in-service for teacher candidates by addressing school system and building policy to enhance the teacher candidate's knowledge of the system and the rules and regulations under which all employees must comply in carrying out their regular duties.
- D. Affirms that it will cooperate with the personnel from the Institution of Higher Education in the selection of the site(s) and station(s) for the teacher candidates, both clinical and student teaching.
- E. Affirms that if a conflict shall arise during a teacher candidate's clinical or student teaching experience, that appropriate Institution of Higher Education personnel will be contacted to resolve said problem in an amenable manner, with minimal trauma to students, the teacher candidate and staff members.

This agreement is signed by both parties and shall become effective when approved by the Mercer County Board of Education.
