

The BSU/Beckley Site Student Spotlight Meet Emma Honaker!

Why did you choose Bluefield State University's Beckley Site? I have heard many good things about this school and has the major I want.

What is your major? Radiologic Technology

When do you graduate? Spring 2024

Where is your hometown? Glen Daniel, WV

What inspired you to attend college: To have a good job in the future.

What is your favorite course and why? Math, I really enjoy getting to understand, and always having something new.

Are you a transfer student and from which college are you transferring? No

What high school did you attend? Liberty High School

What are your plans after graduation? Getting a job as a Radiologic Technologist.

Is there anything you would change at the center? No.
