

# The BSU/Beckley Site Student Spotlight Meet Gracie O'Meara!

**Why did you choose Bluefield State University's Beckley Site? I chose Bluefield State because I have a couple friends that go here. I come to the Beckley Campus because it's closer to where I live. What I like most is how my instructors make sure we really understand .**

**What is your major? Radiology Technician.**

**When do you graduate? 2025**

**Where is your hometown? Hinton, WV**

**What inspired you to attend college: I had a baby in Oct 2021 and I want to give her the best life possible.**

**What is your favorite course and why? Math 101L because he makes sure that we really understand.**

**Are you a transfer student and from which college are you transferring? No**

**What high school did you attend? Summers County High School**

**What are your plans after graduation? Work in a hospital as a Rad Tech.**

**Is there anything you would change at the center? I don't think so.**
