

The BSU/Beckley Site Student Spotlight Meet Cheyenne Blevins!

Why did you choose Bluefield State University's Beckley Site?

They have the reputation of having the best Nursing Program. The environment, it allows me to live at home and commute. I have enjoyed all of my instructors, friends, meeting new people and all the experiences.

What is your major? Nursing.

When do you graduate? May 2023.

Where is your hometown? Fairdale, WV

What inspired you to attend college: My desire to further my education, my dreams of becoming a Nurse, and my biggest role model, my mom.

What is your favorite course and why? English and Anatomy have always been my strong suit. I love reading and love learning how our bodies work and what makes us so unique.

Are you a transfer student and from which college are you transferring? No

What high school did you attend? Liberty High School

What are your plans after graduation? To pass the NCLEX, secure a full-time job, start a family eventually. I would love to travel the world.
