

The BSU/Beckley Site Student Spotlight Meet Kirra Humphrey!

Why did you choose Bluefield State University's Beckley Site? It is close to home, I don't have to travel to Bluefield.

What is your major? Radiologic Technology.

When do you graduate? Spring 2023

Where is your hometown? Oak Hill, WV

What inspired you to attend college: To secure a better future.

What is your favorite course and why? Rad-Tech classes.

Are you a transfer student and from which college are you transferring? No

What high school did you attend? Oak Hill High School

What are your plans after graduation? Find a good job in my major.

Is there anything you would change at the center? No, I like it very well here.
