

## **AI Taskforce Meeting Minutes**

**11-06-23**

In Attendance: Kristin Hicks, Jeff Yeager, Mark Starcher, Scott Pitt, Adrian Ayersman, Ansel Ponder

- Mark demonstrated AI modules developed in BStateNow. May be useful to deliver asynchronous training.
- Jeff discussed an academic appeals case he was on recently that involved the use of AI.
- Discussed offering training for staff, possibly in the Spring.
- Workshop for Academic Success Center will be January 23<sup>rd</sup> at 10AM.
- November workshops for Arts and Science are being worked out for November.
- Kristin will ask about doing Engineering Technology workshop at first meeting for Spring semester.
- Will try to arrange training with Health Science, Education, and Criminal Justice for the Spring. May be able to do some virtually.
- Will ask Sarita if Jeff can present some of his experiences with AI in the classroom at All University Institute as well as having another AI breakout session.
- Jeff and Adrian will work together to integrate AI into English courses.

Next meeting will be November 20<sup>th</sup> at 12PM via Teams. [Click here to join the meeting](#)
