Bachelor of Science in Nursing

ONLINE RN TO BSN PROGRAM

Bluefield, West Virginia

The baccalaureate degree program in nursing at Bluefield State University is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001 (202) 887-6791

OVERVIEW AND ACCREDITATION

The BSN Program is a nationally accredited RN to BSN Program that is designed for the working registered nurse. This is a “2 + 2” nursing program in which AS nursing graduates can complete their BSN in 3 or 4 semesters.

All nursing classes and support courses are offered online. Some nursing courses require learning experiences that may be completed in the student’s home county. Completion of the BSN degree requires a total of 120 credit hours.

The baccalaureate degree in nursing program at Bluefield State University is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001 (202) 887-6791.

RN to BSN Program MISSION, GOAL & STUDENT OUTCOMES

Mission: The mission of the RN to BSN Program is to provide students an opportunity for quality baccalaureate nursing education that is both affordable and geographically accessible, and prepares students to meet the diverse health care needs of the community, state, and nation. The nursing faculty is committed to planning and implementing a quality baccalaureate program for registered nurses which promotes students’ intellectual, personal, ethical, and cultural development in a diverse and caring environment. The scope of professional nursing education is believed to be one that enables and empowers the student to recognize the ethical, legislative, economic, regulatory and political aspects that define the scope of professional nursing practice. The roles inherent in the status of the professional nurse include but are not limited to: provider of direct and indirect care, designer/manager/coordinator of care, member of a profession, patient/client advocate and educator, and life-long learner.

Excellent nursing education that is affordable and accessible.

All nursing & non-nursing classes are online

120 hours for completion of BSN Degree

**RN to BSN Program Part-Time/Open Enrollment
(Complete in 6 semesters)**

Semester 1: Fall

- _____ Nursing 301 Advanced Health Assessment for RNs - 3 hrs.
and/or
- _____ Nursing 303 Complex Health Problems – 3 hrs.
- _____ Support Course (s) *Make Math 210, Elementary Statistics a
priority

Semester 2: Spring

- _____ Nursing 306 Ethics and Issues in Professional Nursing–3 hrs.
- _____ Support Course (s)

Semester 3: Fall

- _____ Nursing 300 Concepts of Professional Nursing - 3 hrs.
- _____ Nursing 303 Complex Health Problems (if not previously
completed)
- _____ Support Course (s)

Semester 4: Spring

- _____ Nursing 302 Community Nursing – 3 hrs.
- _____ Support Course(s) *Must have completed Math 210 Statistics
to be eligible to take NURS 405 Nursing Research.

Semester 5: Fall

- _____ Nursing 403 Gerontological Health Care Issues - 3 hrs.
- _____ Nursing 405 Nursing Research - 3 hrs.
- _____ Support Course (s)

Semester 6: Spring

- _____ Nursing 402 Nursing Management and Leadership – 3 hrs.
- _____ Nursing 412 Senior Practicum – 4 hrs.
- _____ Support Course (s)

**Students must complete BSN nursing courses within 5 years of enrollment in the program. If a course is completed as an “open-enrollment” course, that 85-93 course is valid for 7 years.*

Goal: The goal of the BSN Program is to provide registered nurses with learning opportunities to acquire the knowledge base and skills to practice nursing at the professional level.

Student Outcomes:

1. Assess the health/illness status of individuals, families, important others, and communities throughout the lifespan utilizing a holistic perspective.
2. Determine how components of diversity, equity, and inclusion impact health and health care.
3. Apply an ethical decision-making framework incorporating the ANA Professional Code of Ethics, professional standards, and an awareness of personal values and culture in nursing practice.
4. Utilize professional nursing management, leadership, and interprofessional educational (IPE) skills to coordinate comprehensive relationship-centered care.
5. Utilize effective advocacy, critical thinking, clinical reasoning, communication skills, and interprofessional collaboration skills as a basis for professional nursing practice.
6. Appraise nursing research and evidence-based nursing strategies in designing person-centered care throughout the lifespan.
7. Apply an increased depth and breadth of knowledge in managing the health of persons and populations.

Revised 3/15/2022

BSN Eligibility Requirements

1. GPA of 2.5 from university courses.
2. Meet general admission requirements of Bluefield State University.
3. Have completed the English and Math general studies requirements.
4. Be a graduate of a state approved nursing program.
5. Be a graduate of an ACEN or CNEA accredited Associate Degree or Diploma Nursing Program.
6. If not a graduate of Bluefield State University's Associate of Science in Nursing program, official transcripts are required.
7. Have a current, unrestricted U.S. RN license – BSN faculty will verify this online.
8. Second Year ASN students may be accepted but enrollment is contingent upon passage of the NCLEX-RN licensure examination prior to the first day of class.
9. Meeting minimal qualifications does not guarantee acceptance.

The application to the RN to BSN program is online <https://bluefieldstate.edu/academics/degrees/registered-nurse-22-bsn> & available year-round. Email Carol Cofer, BSN Director at ccofer@bluefieldstate.edu with questions about the RN to BSN program.

Call Admissions at 304-327-4065 or 4066 with any application questions. The fall class will be accepted beginning in the spring semester of the year for which admission is sought.

*Out of state residents may qualify for “metro rate” tuition.

PART-TIME/OPEN ENROLLMENT OPTION

RNs who wish to pursue the BSN degree may enroll in the 3 BSN open enrollment courses (if seats available) while awaiting full-time admission to the program. This option helps ease the transition to online learning and helps to lighten the academic load for the newly graduated RN as well as the experienced RN considering returning to school.

The 3 BSN open enrollment courses are:

Nursing 301: Advanced Health Assessment for RNs. (3 credit hours) *

Nursing 303: Complex Health Problems (3 credit hours) *

Nursing 306: Ethics & Issues in Professional Nursing (3 credit hours) *

To take these courses, students must complete the BSN application online **and then email the Office of Admissions (admissions@bluefieldstate.edu) and Carol Cofer, RN to BSN Program Director (ccofer@bluefieldstate.edu) that the part-time/open enrollment option is desired.**

**Students must complete BSN nursing courses within 5 years of enrollment in the program. *If a course is completed as an “open-enrollment” course, that course is valid for 7 years.*

3 SEMESTER OPTION

The 3-semester option is available to students admitted to the RN to BSN program who are currently enrolled in the Junior Year – Fall Semester. Applications are due by November 1st, and will be reviewed by the BSN faculty. Students will be notified by the conclusion of fall semester if they have been accepted.

This option is academically rigorous, requires 20-30 hours of academic work each week, regular communication with nursing instructors, and is best suited to the mature student who can commit the time necessary to complete the demanding course work. The applicant's academic performance in the BSN Program is evaluated when faculty review applications. Space is limited in this track.

The semesters are as follows:

Junior - Fall: NURS 300, 301, 303 (9 credits)
Junior - Spring: NURS 302, 306, and 402 (9 credits)
Senior - Fall: NURS 403, 405, and 412* (10 credits)

*Nursing 412 is an independent, advanced practicum that requires exceptional time management and leadership skills.

Minimal Eligibility Requirements:

1. Overall GPA 3.0 or greater.
2. Bluefield State University overall GPA 3.0 or greater.
3. Student's grade in each BSN Nursing course must be a "B" or higher. Priority will be given to students with an "A" in the BSN courses.
4. Student must make a grade of "B" or higher on the oral presentation in Nursing 300.
5. Student must make a grade of "B" or higher on the Complex Case Study Formal Paper and pass the final exam in Nursing 303.
6. The candidate must show a mastery of APA skills as evidenced by their assignments in Nursing 300 and Nursing 303. Oral and written communication skills from assignments in these 2 courses will be used to evaluate critical thinking and competency in APA, which is mandatory to succeed as a 3 Semester student.
7. Completion of all support courses by the conclusion of the first semester in the BSN Program. *

*If a student has completed all the open enrollment BSN nursing courses (N301, N303, N306), exceptions may be considered for completion of electives. All electives must be completed prior to starting the last (third) semester of the nursing program.

PROGRAM REQUIREMENTS FOR BSN DEGREE

Lower Level Nursing Courses (ASN Nursing) 40 hours*

Basic Skills Component 15 hours

Composition (English 101, 102) 6 hours
Mathematics (Math 101, 101L, 109, 109L, 110, 220, GNET 115, GNET 116, BUSN 250) 3 hours
Technology Literacy (any COSC-prefix course, BUSN 130, MEET 112) 3 hours
Communication (COMM 201, 208) 3 hours

Core Skills Component 3 hours

Literature (ENGL 201, 205) 3 hours

Fine Arts/Humanities/Social Science 9 hours

Required: General Psychology (PSYC 103) 3 hours

Recommended: Principles of Sociology (SOC 210) 3 hours

3rd course may be selected from: 3 hours
