\*\*For the remote test, Bluefield State Univ (BSU) will **not** provide either a computer or a computer lab for the test. Each student must provide his/her computer. In case a test date is no longer available, contact ATI for other test sites ([www.atitesting.com](http://www.atitesting.com)), or use the TEAS PSI to locate another test center; see info below regarding TEAS PSI.

TEST INFORMATION

The TEAS Exam consists of the following tests:

Reading, Math, Science, English and Language Usage. A minimal overall test score of 58.7 in the Proficient Range is required, but obtaining the minimal score does not guarantee Program acceptance.

TEST RESTRICTIONS

A student must meet the following requirements before he/she can take the TEAS Exam:

1. A student must have applied for admission to BSU.
2. A student can take the TEAS test twice between September and January.
3. A student should allow thirty (30) days to elapse before retesting.

BRING A PHOTO I. D., TWO #2 PENCILS, and the ATI user name and password, which you will create during the TEAS registration process. No personal calculators are allowed. YOU CANNOT TEST WITHOUT A PICTURE I. D., USER NAME, AND PASSWORD

Please contact the College of Health Sciences at 304-327-4136 if you have questions regarding your TEAS scores.

REGISTERING FOR THE BLUEFIELD OR BEAVER TEAS

To register for an in-person test date, GO TO <http://www.atitesting.com>. (1) Create an account if no past account has been created and Log in, (2) Click **Online Store** and under the heading **Register for...** select **TEAS**. (3) Click **Register Now** and choose **in-person**. The Program Type is **TEAS for Nursing Students**. All students, including Imaging Science and Radiologic Technology, select this option.
